Fellow Students:

I hope you enjoy this yearbook as much as I enjoyed putting it together. It was more of a challenge than I thought it would be, but thanks to the staff and many other people it's finally finished.

Remember that a yearbook is not just for this year, in years to come it will bring back many memories. Memories of not only the good time but of hard work too. As the years go on it will be a reminder of how young we were and how much we have changed. It will reunite you with many friends you may have forgotten. Yearbooks are lasting reminders of the best years of your life.

Thank you,  
*Tammy L. Herschman*

# Trackin' Back With SENIORS

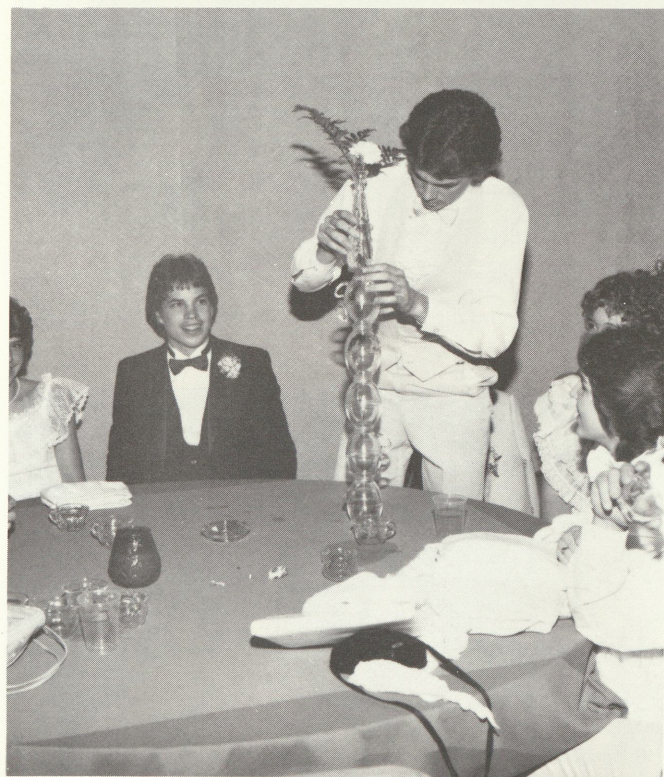

## PROM NIGHT

The 1984 senior prom was a very memorable occasion. The evening was very pleasant. For many people the night started off with a nice dinner, at a fancy restaurant. Then off to the prom at the Raddison, in Saginaw. There was a DJ, Almost Live. This night of May 11th will be remebered by many people.

Mark was a great friend. He was understanding, funny, and loved to have fun. Mark was someone special to everyone. He did his best at everything he tried and never gave up. Mark was one of the gang who will be missed by the class of "84". He was that special someone who will never be forgotten.

*"A Better Place  
For All to Learn"*

In August, 1983, the Board of Education of the Bridgeport-Spaulling Community School District adopted the following goals for the 1983-84 school year:

- I. Continued improvement of achievement levels of all students.
  - II. Continued improvement of all levels of school district communication.
  - III. Improvement of the business/finance/purchasing department operations.
  - IV. Improvement of building maintenance management.
- In addition to the goals of the Board of Education, the district-wide Curriculum Committee, composed of teachers, administrators, parents and citizens, dedicated itself to placing strong emphasis on "people," "place," "community," as it constantly strives to improve the courses offered to the youth of our School District.

The yearbook staff would like to thank all of the businesses and patrons for supporting our yearbook. Your purchases helped make our yearbook successful. Thank you again for all your support.
